

GENERAL INVESTIGATIVE DIVISION  
7/15/68

I talked with John Minnich, Legal Attache,  
London, re the attached information. He  
advises subject did send a letter to his  
sister [REDACTED]

This  
would seem to confirm information  
previously forwarded today that the appeal  
may not take place in this case and that,  
therefore, the extradition would be  
expedited.
